S I R :

Submitted herewith are:

- (1) Copy of a Communication (Supplementary European Search Report) mailed March 12, 2009 issued from the European Patent Office in a related European application;
- (2) Copies of the cited publications;
- (3) Information Disclosure Forms. It is requested that initialed copies of the Information Disclosure Forms be returned to indicate that the publications listed therein have been considered and made of record.

Each of the cited publications is considered relevant or material to the patentability of the present invention in view of the citation thereof in said communication and for the reasons stated in said communication.

Said communication is in English, thereby satisfying the requirements for a concise explanation of relevance.

The U.S. patent publications identified on said Information Disclosure Forms are not enclosed herewith since the USPTO waived the requirement to file copies of U.S. patents and U.S. patent application publications for U.S. applications filed after June 30, 2003. See the USPTO Notice dated July 11, 2003.

It is respectfully requested that the attached publications be considered and made of record.

It is respectfully believed that no fees are due. However, if any fees are due, authorization is given to charge any fees which may be required to Deposit Account No. 06-1378.

Respectfully submitted,

Robert R. Michal
